SCHOOL GUIDELINES

CHILDREN'S BELONGINGS

All personal belongings including snacks and drinks must be clear and properly labeled.

ATTENDANCE

A child must be brought to school by an adult. It must be ensured that a member of the school staff is aware of the child's arrival in the classroom. The same rule applies when a child is picked up from school. We need to be notified if a child will not be able to come to school on a particular day.

ILLNESS

Please make alternative arrangements in case of a child's illness. **DO NOT** send your child to school if he/she shows symptoms of any contagious illness such as

Chicken Pox
Vomiting
Diarrhea

High Fever
Eye Infection
Severe Congestion

Be informed that the law prohibits a child to stay in school if he/she is found to be sick.

MEDICATIONS

We are not permitted to give any type of medications.

SCHOOL PICK-UP

The parent or guardian must call and inform the school should there be any other person who has been authorized to pick up a child. For security reasons, the staff in charge will be requesting for a form of identification from the alternative.

CHILDREN'S TOYS

The school discourages children to bring in toys from home especially toy guns. Be reminded that we will not be responsible for such items. **PLEASE SIGN THE BOTTOM OF THIS FORM.**

I understand the school policy.
