

Dear Parents,

This is a letter to remind you of some of the items your children should or should not have with them at camp every day.

Every day your child MUST have:

1. Bottled water
2. A bathing suit (they must be wearing it) and a towel
3. Enough snacks for morning and afternoon
4. Emergency contact phone numbers in their bag
5. Sunblock in a plastic bag
6. Names on everything in permanent marker (toys—such as Nintendo's and games, clothing, etc.)
7. Sneakers NO FLIP FLOPS
8. Hair ties for girls
9. Swimmies if your child uses them (and you must teach them how to blow them up themselves it is very unsanitary for us to blow them up)
10. Lunch

On Tuesdays you child MUST bring socks for bowling. We only give them one slice of pizza, they may bring cold lunch and will be allowed to eat it during afternoon snack time.

On Fridays the children may bring money for a kid's pack at the movies (\$6). Also, any trips where your child may visit a gift shop you may send them in with money.

Please send a bag for wet clothing.

Also, please do NOT send your child to camp with big earrings. They are gorgeous but not appropriate for camp. Thank you for your cooperation.
